

AOC

Verfino – eye candy with high-gloss translucent deco and luxury wine-glass base

The World's Slimmest WLED Monitor

Navi-Ring & Multi Colour Menu Icons
The AOC navigation key is designed to resemble the navigation button of a mobile handset—an ergonomic function for more intuitive control. The colourful OSD menu features a graphical user interface.

Special Features:

Super Slim
The V22 wide Verfino is a mere 18.5mm thick.

Ultra Low Power Consumption
Verfino is impressively energy-saving. V22 has a power consumption as low as 28W.

Mercury Free
The WLED backlight technology enables V22 to be totally free of mercury, in keeping with the current trend of environmental protection.

Notably Green
Verfino is awarded with an EPEAT (Electronic-Product Environmental Assessment) Silver logo. Verfino is consistently green with its environmentally friendly packaging. The ultra-slim display can be detached from the glass base and packed snugly into a 100% recycled pulp mould.

DCR 100000:1
The Ultra-High Dynamic Contrast Ratio (DCR) can achieve 1000000:1 super high contrast ratio. It renders the darker areas of an image with impressive depth.

WLED Backlight Technology
WLED backlight technology makes V22 super slim, green and capable of a 100000:1 DCR.

Built-in Webcam and Microphone
The built-in 1.3MP webcam and digital microphone enable users to communicate with ease, either for catching up with friends or serious video conferencing. (Thumbnail)

HDMI & Speakers
Verfino is equipped with HDMI input plus two Speakers to connect with a wide range of multimedia players such as DVD and PS3.

Super-Fast Response Time
The 2ms (GTG) Ultra-Fast Response Time presents motion images without blurring.

i-Menu Software
i-Menu Software allows users to access the OSD settings from their PC using the mouse.

Specifications:

| Model Name | V22 |
|--------------------------|---|
| Screen Size | 21.5" W |
| Viewable Image Size | 548 mm |
